

The 2012 Gina's BMW Ride to Dine Motorcycle Grand Tour is a self-paced contest meant to encourage motorcycle riders of all makes and models to see more of our beautiful state of Iowa, while supporting small businesses.

The contest begins on **Thursday, February 2<sup>nd</sup>, 2012** and ends on **Saturday, October 6<sup>th</sup>, 2012**.

To sign up you must submit an entry form, along with a registration fee of \$5.00 at Gina's BMW. For your registration, you will receive the 2011 Our Iowa Magazine Directory of Iowa's Best Ma & Pa Restaurants, and a bumper sticker. Unfortunately the coupons in the directory have expired.

In order for a restaurant visit to be valid, you must have a receipt with date, and restaurant name printed or stamped on it. A business card along with receipt, or photo of your bike in front of the restaurant with receipt may be substituted if a printed name or stamp are not available. Signatures to verify visits will not be accepted. Only one receipt per restaurant will qualify. No duplicates allowed. Only visits to restaurants listed in the directory are eligible.

**100% of registration fees collected will be donated to the grand prize winner's local food bank.**

The rider with the most restaurants visited will win the grand prize of a set of Metzeler tires (mounted and balanced), donated by Gina's BMW. In the event of a tie, the winner will be determined by a drawing.

But that's not all! There will be many other prizes raffled off on a tiered system. More restaurants visited = better prizes in that tier. A full list of prizes will be made available at a later date.

Level 1: Under 15 restaurants visited.

Level 2: Visit 16-25 restaurants, be a Blue-Plate Dine-o-rider.

Level 3: Visit 26-50 restaurants, be a Touring Dine-o-rider.

Level 4: Visit 51 plus restaurants, be a Grand Dine-o-rider.

Completed entries must be submitted to Gina's BMW no later than 12:00 noon on October 6<sup>th</sup> for validation. Winners will be drawn at 4:00 pm on that date. **YOU MUST BE PRESENT TO WIN.**
